Parents Watch Carr School Walls Go Up

By ILENE ALLISON
MEEno 4-2430

Residents of the area who have been watching the new Evelyn Carr School being built were cheered at the sight of the walls being erected, but not so happy at the news that it is a possibility that the classrooms will not be ready for the September session. However, it is expected pending no further delay, that the building will be occupied by the middle of February. North Torrance Elementary and Perry schools will be bursting at the seams, but all good things are worth waiting for, and this is no exception.

Robert Bowen again entered Harbor General Hospital for more work to be done to enable him to sit up. He is still wearing a brace on his back.

Did you know that the Southern Baptist Church, located at Crenshaw and 187th St., opened its doors in September with a membership of 28 and in these short months has now a membership of 83? That the two-week Bible school completed July 17 had 70 enrolled? That the church now under construction is being completed by donated labor and monetary contributions plus the financial aid of the Baptist Conference? That beautiful stained glass windows have been installed in memory of various loved ones? That a bond sale is under way backed by a most reliable firm where-in the consignee benefits at the rate of 5 per cent semi-annual? Bonds are in denominations of \$50, \$100, \$250, \$500. The Rev. Harvey Hobbs of Harbor City is the pastor and conducts services at 11:15 on Sunday morning and at 7:30 Wednesday evenings, and the public is most cordially invited to attend these services.

The Evangelical United Brethren Church, held weekly in Mc Master Hall, has made strides in the past month. A new minister was introduced to the area this past Sunday, with the 55 in attendance staying over for a pot-luck dinner to get acquainted. The Rev. and Mrs. Homer Miller were introduced to the congregation. A new address for the church, which is now being readied for classes, was given this week. Keep this in mind—3347 W. 174th St.—soon to be the site of a new building. A phone is now in the building for information. The Rev. Miller will be on the premises every morning from 9 through 12, and the number is MEEno 9-3277. The tentative date set for the occupancy of the building is Aug. 2. This Sunday will be communion Sunday and friends of the church are invited to attend. Henceforth the church will be referred to as Hope Evangelical United Brethren.

The Alpha Society will hold a bake sale on Saturday, July 18, at Manor Market featuring homemade candies and pies. Proceeds will go toward the building fund.

Little 8-year-old Larry Grafinger, of 4335 W. 178th St., left with his aunt and uncle, Mr. and Mrs. E. G. Riley, for a six-weeks visit in the Black Hills of North Dakota. Larry will be visiting at the home of his aunt and uncle, Mr. and Mrs. H. Sperling of Boise, Idaho have been guests at the Ed Collins home, 17029 Crenshaw Blvd. Mrs. Sperling is Ed's sister and motored through to see her son, Don, before he leaves for overseas duty from Camp Pendleton, where he is stationed in the Marine Corps.

It is so nice to meet people who say they never miss reading this column. Such was the case with Mrs. Blanche Heald, a nice little lady who, though she doesn't get around much, can keep up with the rest of you by the remarks made here. But how can she know what you do if you don't call and tell me? Won't you take more time to call?
